

## HOW TO FIND US

### **FROM THE A421 (SOUTHERN BEDFORD BYPASS)**

- From the roundabout where the before bypass joins the A428 head towards Cambridge (and Great Barford).
- Turn left off the A428 almost immediately after the roundabout heading towards Renhold.
- Follow the road all the way through Renhold village, to the point where the main road bends sharply to the left, where you should turn off on the road that goes straight ahead - following the signs for Ravensden.
- Take the first right towards Ravensden and follow the road up the hill and all the way through Ravensden village, passing the village pub at the top of the hill on a sharp right hand bend.
- As you are leaving the village there are two sharp bends and the driveway for Crowhill farm is on your right hand side shortly afterwards.
- As you proceed up the driveway you will see our premises to your left, with ample parking in the courtyard in front, or adjacent to the building on the left.
